

## Birreria Le Baladin

Piazza V Luglio 15, 12060 Piozzo (CN), ITALY

### Brewery Description:

Our search for the world's most unique beers has brought us to Piozzo, right outside of Torino, Italy. In this village of 1,000 inhabitants, directly across from the town hall, lies Le Baladin, an extremely unusual brewpub and microbrewery. "Baladin" is a French term referring to a "traveling minstrel." The owner, Teo Musso, thought that this would be a fitting name for his brewery as the townspeople are known for moving around, especially between Italy and France. Upon visiting the brewery and meeting Teo, one finds that he is a very entertaining minstrel and has, thus, chosen the perfect name for his place.

Teo studied at some of the best small breweries throughout Europe in order to learn his craft. He has worked most closely with another eccentric B. United International supplier, Jean-Louis Dits of Brasserie a Vapeur. Like Jean-Louis, Teo loves experimentation and never works by the books.

## Spuma Nera

*Non-Alcoholic Carbonated Beverage / Soft Drink*

Spuma Nera, or "dark Spuma" as it was once called, may be considered the "mother" of chinotto. We have chosen to go back to the traditional recipe: citrus myrtifolia, the red part of rhubarb roots, vanilla and an orange zest infusion. Of course, no artificial coloring or preservatives are added.

## Cola Baladin

*Non-Alcoholic Carbonated Beverage / Soft Drink*

Is the result of an idea shared by Slow Food and Baladin, which is committed to only buying the kola of the Kenema Slow Food Foundation for biodiversity projects in Sierra Leone by assigning them a percentage of its sales. This is a tangible help for many producers' communities who live in one of the poorest countries in the world. Kola nut is an indigenous fruit of tropical forests and can be found in Western Africa, especially in Sierra Leone, in the Kenema region.

A natural recipe, full of great ingredients: the citrus aromas come from oranges from Gargano, lemons from the Amalfi Coast citrus myrtifolia (chinotto) from Savona. The very complex spicy notes come mainly from Kenema cola nuts, as well as cinnamon, coriander,

cardamom, nutmeg and other secret spices.... water, white cane and sugar

## Baladin Cedrata

Non-Alcoholic Carbonated Beverage / Soft Drink

A journey searching for the taste of times gone by. A taste that our memory has registered but has been hiding for a very long time. This is Cedrata Baladin. Just water, natural brown sugar, lemon juice, carbon dioxide and the infusion of Calabria citrons from Diamante, which give it all its aroma and flavor. Cedrata Baladin is produced with simple and selected ingredients and contains no colorings or preservatives.

Thanks to its acidic taste rounded by the use of brown sugar, Cedrata Baladin is a fresh drink for all meals (including a midnight snack!). It is also a great ingredient for alcoholic and non-alcoholic cocktails. It goes particularly well with passion fruit and lime, or gin.

## Mela Zen

Non-Alcoholic Carbonated Beverage / Soft Drink

With his soft drinks, such as Cola, Teo has managed to refine and modernize “good old” tastes, interpreting them in a very innovative way, as he has done with Cola. But it is Mela Zen that truly marks the beginning of pure experimentation. It is produced in small quantities with the clear intention to get in contact with those who drink it and create a new taste together. The recipe contains apples and ginger, two excellent agricultural products. Fresh, tasty, intriguing... Let's discover it together!

## Tonica Al Fieno

Non-Alcoholic Carbonated Beverage / Soft Drink

Inspired by classic Indian tonic water, it is characterized by flowery and herbaceous notes given by the skillfully measured use of spring hay - the one that is cut first and is the most fragrant – from the Alps around Cuneo. The quinine bitterness pleasantly rounds off the balanced taste, which makes this tonic water perfect as a refreshing and thirst-quenching drink.
