Today's benchmark for Bavarian Style wheat beers
With over 16 medals at the biennial World Beer Cup Michael Plank's wheatbeer portfolio has set the highest benchmark for flavor and aroma harmony in Bavarian style wheat beers.
One secret of his success: The various ingredients of his wheat beers are grown and cultivated on the fields his family has owned for many generations.

To be shipped to us via our fleet of temperature controlled tank containers to ensure highest flavor/aroma/freshness quality.
