

1810 Hochzeitsbier > Brauerei Hofstetten > St. Martin, Austria

Unfiltered, Unpasteurized & Bottle Conditioned

Our “Original Hochzeitsbier von 1810” goes back to the Original “Maerzen-style beer” that was served in 1810. Relative to today’s “adjusted” Oktoberfestbiers it is much darker in color, much stronger in alc/vol, and much more full-bodied!

Just the way beers were brewed around that time!
