

## Kiuchi Plum Wine > Kiuchi Brewery > Ibaraki, Japan

---

■ **Sake Collection**    **Style:** Plum Wine, Alc./Vol.: 10.0%

Japanese ume (*Prunus mume*) is a species of Asian plum in the family Rosaceae.

**Kiuchi ume wine is made from the juice of green unripe ume. The juice is extracted by preserving the plums in sugar.**

Since ume contain a lot of natural citric acid, the resulting plum wine has a sweet, acidic, very refreshing taste that pairs very well with sushi, sea food, desserts and other Asian or fusion style dishes.
