Style: Yuzu Wine
Alc./Vol.: 8.5%

Yuzu {citrus aurantium, citrus junos} is a rare hybrid citrus fruit of mysterious provenance grown in China, Tibet but more so in Japan. Its aroma and flavor offer a rare and complex blend of lime, lemon, grapefruit and mandarin orange.

While the Yuzu fruit has been historically cultivated as herbal remedy yuzu has meanwhile become the rage with many chefs around the world who rave about the amazingly intense floral citrus fragrance of yuzu.
