

Iduna Cru > The Wild Beer Co. > Somerset, England

Named after ancient Greek goddess of beer, this is an equally divine Belgian-style saison with a copious amount of New Zealand hops, freshly harvested Somerset apple juice and wild yeast added to the mix. The brewers like to take things just a bit further (it's the Wild way!) — once bottled the beer undergoes a secondary fermentation with champagne yeast, giving it a brisk spritziness on the tongue. Serve chilled in a champagne flute to allow the bouquet of playfully aromatic notes to be fully appreciated. Take a sip to enjoy a further cascade of striking and sensuous flavours alongside the carefree spritziness.
