

iQhilika African Birds Eye Chili Mead > Makana Meadery > South Africa

■ Mead Collection

Style: Dry Mead

Alc./Vol.: 13.0%

Appearance: Golden yellow.

Aroma: Honey & Chill. The African Birdseye Chili pepper lends an interesting wooded nose to the mead, which is overshadowed by the first sip.

Flavor: Honey flavors are immediately followed by hot pepper flavors – pepper heat lingers into finish. Acid/tannin/Alcohol balance quite good. Extremely complex balance of honey & pepper. Pepper heat not overwhelming. Delightful and inviting.

Finish: Spicy finish
