

Runa Bianca > Birrificio Montegioco > Montegioco, Italy

Biere Blanche, flavored with coriander and orange peel. Top-fermented, 4.5° alc/vol. This beer is refermented in the bottle.

Malts: Barley & wheat

Appearance: The beer is golden with a dense and long lasting head.

Aroma: It has a very intense fragrance with defined coriander and orange peel perfumes, with honey and yeast notes.

Flavor: The very soft lemon taste in the mouth is this beer's distinguishing mark. Its long persistence and a slight bitter taste of the hops make Runa Bianca a light and refreshing beer.
